REGIONAL
HEALTH CENTER**

BEING EXCELLENT EVERY DAY

FOR EXTRAORDINARY TEAM MEMBERS

An Affiliate of **MERCYONE**SM

Kossuth Regional Health Center is proud to offer the BEE Award to celebrate staff from all non-nurse and non-physician* disciplines who personify the remarkable patient experience for those we serve. Just like a DAISY would not be able to grow without the help of the BEE, our nurses could not do what they do for our patients without the outstanding teamwork of other healthcare professionals.

That's why Kossuth Regional Health Center recognizes our dedicated support personnel alongside nurses with the BEE Award. Anyone at KRHC who supports patient care – such as registration staff, patient financial services, housekeepers, lab professionals or others – can be nominated for the BEE Award. Just like the DAISY Award, nominations can be submitted by patients, families, and colleagues. Recipients will be chosen by a committee at KRHC and will be honored during hospital week each year in May.

Criteria for a team member to receive the BEE Award:

- Demonstrates ICARES: Integrity, Compassion, Accountability, Respect, Excellence, and Stewardship
- Has a positive attitude that inspires others
- Promotes teamwork
- Creates caring connections
- Goes above and beyond what is expected
