Child Development Home Visitation Program	**800-873-1899; Michelle Skadbury** The Early Head Start Home Visitation program provides services to eligible pregnant women and children ages birth to 3 years. The program conducts weekly visits with the child and their parent, primarily in the child's home and through group socialization opportunities. The home-based program promotes secure parent-child relationships and helps parents provide high quality learning experiences. Eligibility is up to 100% of the federal poverty level.

Early Childhood North Central Iowa	**515-341-0640, Salena Siefken** Agency serves children and families prenatal-five years old in a four-county area. Our four priorities are: Healthy children, Children will be in school ready, secure & nurturing environments for children & quality childcare will be assessable to all families. We help fund Loving Hands Nursery in Algona, provide scholarships for three year olds that meet the income guidelines, funds two home visiting programs in Kossuth county and provide childcare training and some financial incentives for children's centers and providers, We also provide a child care nurse consultant to work with child care centers and home providers to stay up to date on their certification and to help with any health concerns and centers may encounter on a daily basis.
KIDS Program, UDMO	**712-363-8466** KIDS Program provides in-home parent education and family support services to families with children prenatal to age five that reside Emmet, Kossuth, and Palo Alto Counties. KIDS Program provides services free of cost and all services are voluntary. Priority will be given to those that have a child with an IFSP/IEP, 200% of the Federal Poverty Level, and a parent having a high school education or less. Families with children under age five needing support and child development information and do not have any of those criteria are eligible for services through the KIDS Program. Services include child development information, parent child interaction, and a family well-being component as we are an approved user of the Parents As Teacher's curriculum.
